Community Use of Schools

**Aanii
Welcome
Bienvenue**

We've been expecting you.

When we open schools for community use, we develop schools as the hub of the community and enhance quality of life for children, youth, families and older adults.

Rainbow District School Board welcomes community groups into its schools to provide programs, services and activities.

As safe, caring, nurturing and familiar environments that are close and convenient, schools have wonderful facilities to offer their neighbours.

Who can use school facilities?

Community volunteer groups, organizations, clubs or partners can use school facilities. Businesses can also use school facilities.

When are schools available?

Schools are available for community use throughout the school year, except for Christmas break. They are open after school hours, during the evenings and on weekends. There is also some availability during the summer and holiday weekends.

Is there a cost?

Not-for-profit groups or charitable organizations can use school facilities at no charge unless there is a requirement for special arrangements for staffing or equipment. Businesses can rent school facilities.

Did you know? Schools are available for...

Group meetings	Youth clubs	Games nights	Photography clubs	Story nights	Girl Guides

What facilities do schools have?

Elementary schools have gyms, libraries and classroom space for community use. Secondary schools have a wider variety of facilities, including gyms, auditoriums, lecture halls and cafeterias. If you don't see the school facilities you are looking for when registering online, please complete the comments section of the permit.

Where can I obtain more information?

Information is available on the Board's website. By logging on to communityuse.rainbowschools.ca, groups can see what facilities are available where, when and at what costs. The website also outlines criteria for not-for-profit groups and charitable organizations to qualify to use facilities for free.

How can I book a school facility?

Groups can book school facilities online through the Community Use of Schools Reservation System. Facilities available at each school are featured on an online calendar by date and time.

To access the Community Use of Schools Online Reservation System to obtain a permit:

1. Go to communityuse.rainbowschools.ca
2. Click on Community Use of Schools Online Reservation System
3. Select Get Started!

For more information about booking facilities in Rainbow Schools, please call 705-674-3171 ext. 7259.
