

SUDBURY STUDENT SERVICES CONSORTIUM MEDIA RELEASE

199, Travers Street, Sudbury Ontario P3C 3K2

From:	Renée Boucher Executive Director	To:	Local Media
Date:	8 August 2014	Time:	8:30 am
Subject:	September Transportation / First Time Bus Rider		

Process for Student Transportation:

The Sudbury Student Services Consortium would like to advise the public that student transportation information is now ready! Parents and guardians need to call now at 705-521-1234 or visit their website at www.businfo.ca under the Parent Portal.

All parents and guardians who moved during the summer, changed their child's school and/or modified their child's babysitter, are required to contact the Sudbury Student Services Consortium as soon as possible to ensure children have bussing on the first day of school.

First Time Bus Rider Program:

Again this year, the Sudbury Student Services Consortium is offering the First Time Bus Rider Program in order to prepare Junior Kindergarten children to safely ride the school bus. Parents can register their children by visiting our website at www.businfo.ca, by email at trans@businfo.ca or by telephone at 705-521-1234. English sessions will take place at Collège Boréal August 22nd and 23rd. French sessions are available on August 22nd and 23rd.

Thanking you for your continued support!

*Providing a single transportation system with emphasis on safety and efficiency.
Un système unique de transport aux élèves qui met l'accent sur la sécurité et l'efficacité.*
