Process for Student Transportation:

One – Day Left!

All parents and guardians, who moved during the summer, changed their child’s school and/or modified their child’s babysitter, only have one day left to contact the Sudbury Student Services Consortium to ensure bus service as of the first day of school.

For student safety, any changes received **after August 26th will not be processed until September 21st.**

Call now at 705-521-1234 or visit their website at www.businfo.ca under the Parent Portal.

Thanking you for your continued support!
