For French Immersion:
Thursday, January 26, 2012

Schools offering English and French Immersion will host one information night on January 26, 2012. See list of schools/programs inside.

For enrolment in Junior Kindergarten, your child must be four-years-old by December 31, 2012.

For enrolment in Senior Kindergarten, your child must be five-years-old by December 31, 2012.

When registering your child, please bring his/her identification documents including birth certificate, birth registry/baptismal certificate, Ontario Health Card and an immunization record.

Parents/guardians can enroll their children in the English Program or the French Immersion Program.

The English Program is exclusively in English and includes a Core French component. In Core French, students learn basic French through songs, games, drama and interactive activities for a specified period of time daily, beginning in Grade 4.

French Immersion immerses children in the French language, including cultural experiences. The program provides a balance of English and French instruction. French is gradually increased throughout the Kindergarten program. This program is designed for English speaking parents/guardians so they may support their child to become bilingual.
