

At TVO, we are proud to offer Ontarians free digital learning resources designed to unleash the potential in students from JK to Grade 12. Learning resources you can count on.

TVOKids offers educational programming 7 days a week on television and YouTube, all linked to the Ontario curriculum with a focus on math, language and science. TVOKids.com provides educational games for children in preschool and school-age 24/7.

K-6  
[tvokids.com/schoolage](https://tvokids.com/schoolage)

Learner-centred, 65+ free online games that support the mastery of K-6 math concepts and bolster understanding of STEM and the social sciences. Boost math skills and inspire a love of math. With a free account, students can track their progress in the games.

K-6  
[tvompower.com](https://tvompower.com)

Free 1:1 after school Grade 6-10 math tutoring with Ontario Certified Teachers. Build math understanding and confidence with personalized support. Accessible Monday to Friday, 9 am to 9 pm, and Sunday from 3:30 pm to 9 pm.

Grades 6-10  
[tvomathify.com](https://tvomathify.com)

Ontario's largest high school and the Ministry of Education's designated partner in distance education. We help students to achieve their educational, career and life goals by providing the opportunity to earn high school credits or a full OSSD online.

Grades 9-12  
[ilc.tvo.org](https://ilc.tvo.org)

Bring TVO's in-depth Current Affairs, thought-provoking Documentaries, and award winning TVOKids content into your lessons. Inspire curiosity, growth and learning.

[education.tvo.org](https://education.tvo.org)

An online community where Ontario's educators can connect with their peers to share innovative ideas, explore professional learning and find curated resources to support student engagement.
