

## Important Info from HSN COVID-19 Assessment Centre-

### Tips for students, parents and school community members who need to book a COVID-19 test

- With the increase in cases and impacted schools in our community, the Health Sciences North (HSN) COVID-19 Assessment Centre is experiencing very high call volumes and requests for testing appointments.
- **The fastest and easiest way to request an appointment is to fill out [the online form](#). We will call you as soon as possible to book you or your child's test once you have submitted the form.**

You can access the form here- [www.hsnsudbury.ca/RequestAnAppointment](http://www.hsnsudbury.ca/RequestAnAppointment)

- Please fill out the form with as much detail as possible. Use the box marked "Occupation/Place of Work" to tell us where your child attends school or which school you work in or are associated with. In that field, please also tell us when the test is required by Public Health Sudbury & Districts.
- Once you have completed and submitted the form, you will receive a confirmation number. Please take note of this number in case any follow up is required.
- If you don't have access to a smart phone or a computer, you can also call 705-671-7373 to book an appointment.
- Please don't duplicate your booking efforts! There is no need to call if you've already sent in an online form. If you have a confirmation number, we will be calling you as soon as possible. Please be patient.
- We have three locations and you can indicate your preference but at times of high volume your preferred location cannot be guaranteed. All three COVID-19 assessment options are by appointment only.

**COVID-19 Assessment Centre, 2050 Regent Street**, with indoor drive-through testing. (Turn at the lights across from the South End Library and follow the signs for COVID-19 testing around the front of the building to enter from the far side.)

**NEOMO Medical, 885 Prete Street**, with drive-through testing. (Follow the signs for COVID-19 testing. Proceed to the public testing trailer at the back of the parking lot. The nurse will come to see you in your vehicle.)

**Primacy Medical Centre, 1485 Lasalle Boulevard**, at the Real Canadian Superstore, with drive-through testing (Look for the white COVID-19 Assessment sign and red pylons. The nurse will come to see you in your vehicle.)
