Rainbow District School Board is recruiting its next Director of Education.

As per Policy GOV-07, the Board of Trustees has retained *Prometheus - Partners in Executive Search* to help select the best person for this leadership role.

The Board, through its Prometheus search consultants, Marilyn Gouthro and Jordene Lyttle, is developing a Candidate Profile for the Director of Education.

As part of the consultation process, all partners in education throughout Sudbury, Espanola and Manitoulin Island are invited to share their input on the following:

- Rainbow District School Board's top strengths
- Challenges/priorities/opportunities for the Board and its incoming Director
- Experience, skills and personal qualities a Director of Education should possess

Confidential suggestions and/or nominations of prospective candidates are also welcome. All information shared with Prometheus will be confidential.

The Board of Trustees of Rainbow District School Board welcomes your input.

Please respond in confidence to [resumes@prometheus.ca](mailto:resumes@prometheus.ca) (referencing "Search for Rainbow District School Board Director") no later than **Friday, May 28, 2021**.

Thank you for participating in the consultation process. We value your feedback.
