**RE: CONFIRMED CASE OF COVID-19 AT R.L. BEATTIE PUBLIC SCHOOL**

Dear parents/guardians:

Public Health Sudbury & Districts has advised Rainbow District School Board that a confirmed case of COVID-19 has been reported at R.L. Beattie Public School.

The individual is currently self-isolating and being monitored by Public Health Sudbury & Districts. There is no evidence of transmission of COVID-19 at the school at this time. As a precaution, R.L. Beattie Public School is being cleaned and disinfected overnight.

**In an abundance of caution, by direction of Public Health, staff and students in the Grade 6 class in Room 200 have been asked to self-isolate, regardless of vaccination status.** The affected students, their parents/guardians and relevant staff have been notified and have received a letter from Public Health with specific guidance. Public Health will reach out to all affected parents/guardians and staff with additional detailed instructions once their initial investigation is complete.

**Also in an abundance of caution, by direction of Public Health, students on the morning elementary bus Route N458 and/or the afternoon elementary bus Route L812 have been asked to self-isolate.** The affected students, their parents/guardians and relevant bus drivers have been notified and have received a letter from Public Health with specific guidance. Public Health will reach out to all affected parents/guardians and bus drivers with additional detailed instructions once their initial investigation is complete.

**For students and staff who have not been asked to self-isolate as part of this confirmed case, the following applies:**

- Simply passing by an infected person in the hallway is not considered close contact, and the risk of spreading the virus this way is extremely low.
- Remember to screen for COVID-19 daily. Continue to use the **COVID-19 Screening Tool for Children in School and Child Care** <https://covid-19.ontario.ca/school-screening/> to monitor for symptoms and follow the direction provided. **Anyone who is sick must stay home.**

Remember to follow the critical ongoing COVID-19 prevention measures:

- Wash your hands often with soap and water or alcohol-based hand sanitizer.
- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home and [isolate](#) if symptoms appear.

408 Wembley Drive, Sudbury, Ontario P3E 1P2 | Tel: 705.674.3171 | Toll Free: 1.888.421.2661 | [rainbowschools.ca](http://rainbowschools.ca)

- Practise two-metre physical distancing.
- **Wear a mask** in indoor public spaces and outdoors if physical distancing of two meters cannot be maintained.

We continue to work closely with Public Health as we implement ongoing health and safety protocols to limit the spread of COVID-19.

We will monitor our school population closely for any signs of COVID-19 and follow the guidance from Public Health.

Public Health continues to investigate the situation and if any risks to the school community are identified, they may direct additional measures.

Updated information will be posted on the Board's COVID-19 Advisory Section at the following link:
