

## Settlement Worker in Schools Program

# Immigrant Services

The SWIS program works in partnership with the Rainbow District School Board and the Sudbury Catholic District School Board in providing settlement services to students and their families.

Objectives of the program are to:

- Assist students and their families to integrate into their school and community.
- Work with school staff to help students and parents adjust to the Ontario school system.
- Connect students and their families to school and community resources based on their need.
- Organize information sessions and workshops on settlement topics for newcomer youth and parents.
- Provide resources and information to school staff about the settlement needs of newcomers.
