**IMPORTANT NOTICE FOR FAMILIES:
Revised school year calendar for Rainbow eLearning secondary students**

Dear eLearning students and parents/guardians:

I would like to extend a warm welcome back to all eLearning students and inform you that a revised school year calendar will be in effect for the balance of the school year.

All eLearning students are required to return to their course in order to obtain their credit.

Learning will be prioritized and maximized to enable students to complete the school year within the remaining number of school days.

There will be no extension to the school day or the school year.

While students will continue to be evaluated on their achievement of overall curriculum expectations, there will be no formal exams.

Dates previously set aside for exams will become instructional days.

The Professional Activity Day scheduled for Friday, June 12, 2015 will be an instructional day for secondary students.

The last day of school for eLearning secondary students will be Thursday, June 25, 2015.

For more information, visit rainbowschools.ca

Thank you, as always, for your patience.

Sincerely,

A handwritten signature in black ink, appearing to read "Norm Blaseg", is written over a thin horizontal line.

Norm Blaseg
Director of Education
