Adult Day School

The right time is now.

If you are 21 years of age or older and want to complete your high school diploma, we can help.

The Adult Day School, located at Sudbury Secondary School, offers a variety of **FREE** courses for adult learners, including self-study courses, in-class courses and e-learning courses taught by qualified teachers.

Staff in the Adult Day School will work with you to create a schedule that suits your availability, fits your learning style and meets your career goals.

Resources are available to help you select your destination after you graduate, whether it is an apprenticeship, college, university or the world of work.

These learning opportunities are offered on a continuous in-take basis from September to June. Students can design their own flexible timetable and can attend classroom or co-operative education during a variety of times throughout the day.

Did YOU know?

Prior Learning Assessment and Recognition (PLAR) is the formal evaluation and process where students may obtain credits for prior learning.

Adult learners may earn up to 26 PLAR credits towards the 30 credits required for an Ontario Secondary School Diploma (OSSD).

Prior learning includes the knowledge and skills that students have acquired, in both formal and informal ways, outside secondary school.

For qualifying students, Co-operative Education experiences can also result in credits eligible towards a high school diploma.
