

# Regional Internal Audit Mandate

## PURPOSE AND DEFINITION

The purpose of the regional internal audit team is to provide independent, objective assurance and consulting services designed to add value and improve the district school boards' operations in the **Northeastern Ontario** region. It helps the district school boards accomplish their objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.

## ROLE

The regional internal audit activity is established by the Ministry of Education through the annual Grants for Student Needs funding. The oversight role of the Audit Committee of the Board of Trustees over the regional internal audit activity is established by Regulation 361/10.

## PROFESSIONALISM

The regional internal audit activity will adhere to the Institute of Internal Auditors' mandatory guidance including the Core Principles for the Professional Practice of Internal Auditing, the Definition of Internal Auditing, the Code of Ethics, and the *International Standards for the Professional Practice of Internal Auditing (Standards)*. This mandatory guidance constitutes principles of the fundamental requirements for the professional practice of internal auditing and for evaluating the effectiveness of the regional internal audit activity's performance.

## AUTHORITY

The regional internal audit activity, with strict accountability for confidentiality and the safeguarding of records and information is authorized full, free and unrestricted access to any and all of the district school boards' records, physical properties, and personnel pertinent to carrying out any engagement. All school board employees are requested to assist the regional internal audit team in fulfilling its responsibilities. The regional internal audit team will also have free and unrestricted access to school board leaders and to the Audit Committee of the Board of Trustees.

## ORGANIZATION

The internal audit function follows a regional model. The function consists of a **Regional Internal Audit Manager** responsible to district school boards in one of the eight regions in the province of Ontario as identified by the Ministry of Education. The **Regional Internal Audit Manager** will report functionally to their regional audit committees of the Boards of Trustees and administratively are supported by a host school board Senior Business Official. Every effort is made to adequately staff the internal audit function, within available financial resources, in order to perform its audit activities.

Each Audit Committee of the Board of Trustees will for their Board:

- Approve the regional internal audit mandate;
- Recommend for approval the risk based internal audit plan;
- Receive information from the **Regional Internal Audit Manager** about the internal audit activity performance to plan and other relevant matters;
- Inquire of the **Regional Internal Audit Manager** and the Senior Business Official whether there are resource or scoping limitations; and
- Review annually the performance of the regional internal audit activity and provide the Board of Trustees with their comments regarding the performance of the **Regional Internal Audit Manager**.

The **Regional Internal Audit Manager** will interact directly with the Audit Committee of the Board of Trustees, including in-camera sessions and between audit committee meetings as appropriate.

## **INDEPENDENCE AND OBJECTIVITY**

The regional internal audit activity will remain free from interference by any element in the district school board including matters of audit selection, scope, procedures, frequency, timing or report content to permit maintenance of a necessary independent and objective mental attitude.

Regional internal auditors will have no direct operational responsibility or authority over any of the activities audited. Accordingly, they will not implement internal controls, develop procedures, install systems, prepare records or engage in any other activity that may impair judgment.

Regional internal auditors will exhibit the highest standards of professional objectivity in gathering, evaluating and communicating information about the activity or process being examined. Auditors will make a balanced assessment of all the relevant circumstances and not be unduly influenced by their own interests or by others in forming judgments.

The **Regional Internal Audit Manager** will confirm to the Audit Committee of the Board of Trustees, at least annually, the organizational independence of the internal audit activity.

## **RESPONSIBILITY**

The scope of work of the regional internal audit team encompasses but is not limited to:

- Evaluating risk exposure relating to the achievement of the district school board's strategic objectives;
- Evaluating the reliability and integrity of information and the means used to identify measure, classify and report information;
- Evaluating the systems which ensure compliance with policies, procedures, applicable laws and regulations which impact the district school board;
- Evaluating whether resources are acquired economically, used efficiently, and are adequately protected;
- Evaluating operations and processes to ascertain whether results are consistent with established objectives and whether processes are functioning as planned;
- Performing consulting and advisory services or assessments of specific operations as requested by the Audit Committee of the Board of Trustees or district school board management as appropriate;
- Evaluating the effectiveness of the district school board's risk management and governance processes;
- Reporting periodically on the regional internal audit performance against plans; and
- Reporting significant risk exposures and control issues, including fraud risks, governance issues and other matters requested by the Audit Committee of the Board of Trustees.

## **INTERNAL AUDIT PLAN**

Annually, the **Regional Internal Audit Manager** will submit to district school board management and to the Audit Committee of the Board of Trustees an internal audit plan for recommendation to their Board of Trustees for approval. If there are any resource limitations or interim changes, these will be communicated.

The internal audit plan will be developed based on a prioritization of the internal audit universe using a risk based methodology which includes input of district school board management. **The Regional Internal Audit Manager** will review and adjust the plan as required in response to changes in the risk profile. Any significant deviation from the approved internal audit plan will be communicated through periodic status reports. **The Regional Internal Audit Manager** or any of his or her team may initiate and conduct any other audit or review deemed necessary for potential illegal acts, fraud, abuse, or misuse of funds. Reasonable notice shall be given to appropriate personnel of intent to audit in their areas except when conditions warrant an unannounced audit.

### REPORTING AND MONITORING

Opportunities for improving internal control may be identified during audits. A written report will be issued by the **Regional Internal Audit Manager** at the conclusion of each audit and will be distributed according to the school board's requirements. (This could include the head of the audited activity or department, the director of education, the audit committee and the external auditor of the district school board.)

Each report will describe opportunities to strengthen district school board risk, internal control and governance processes and conclude on the adequacy and effectiveness of the processes. The district school board management will provide action plans and timelines to address each opportunity (observation). The regional internal audit team is responsible to perform appropriate follow-up procedures to attest to the completion of action plans. Significant observations will remain in an open issue status until cleared.

### QUALITY ASSURANCE

The regional internal audit team will maintain a quality assurance and improvement program that covers all aspects of the internal audit activity and conformance with the International Standards for the Professional Practice of Internal Auditing.

The **Regional Internal Audit Manager** will communicate to district school board management and the Audit Committee of the Board of Trustees on the internal audit activity's quality assurance and improvement program, including the results of ongoing internal assessments and external assessments conducted as appropriate, usually on a five year cycle.
