

Application for Casual Educational Assistance Employment

Throughout the year the board has opportunities to provide students with support.

Rainbow District School Board may use qualified teachers with Special Education additional qualifications.

Teachers accepting these assignments are paid an hourly rate of \$22.16 + 4% vacation pay for each approved hour of support.

If you are you interested in being included on a list of teachers willing to do educational assistance support and have special education qualifications, please complete the information below and return to the board office.

Yes I am interested in doing educational assistance support
