## **Materials:**

Number Line Bingo Game Board

Number Line Bingo Spinner

Paper and pencil

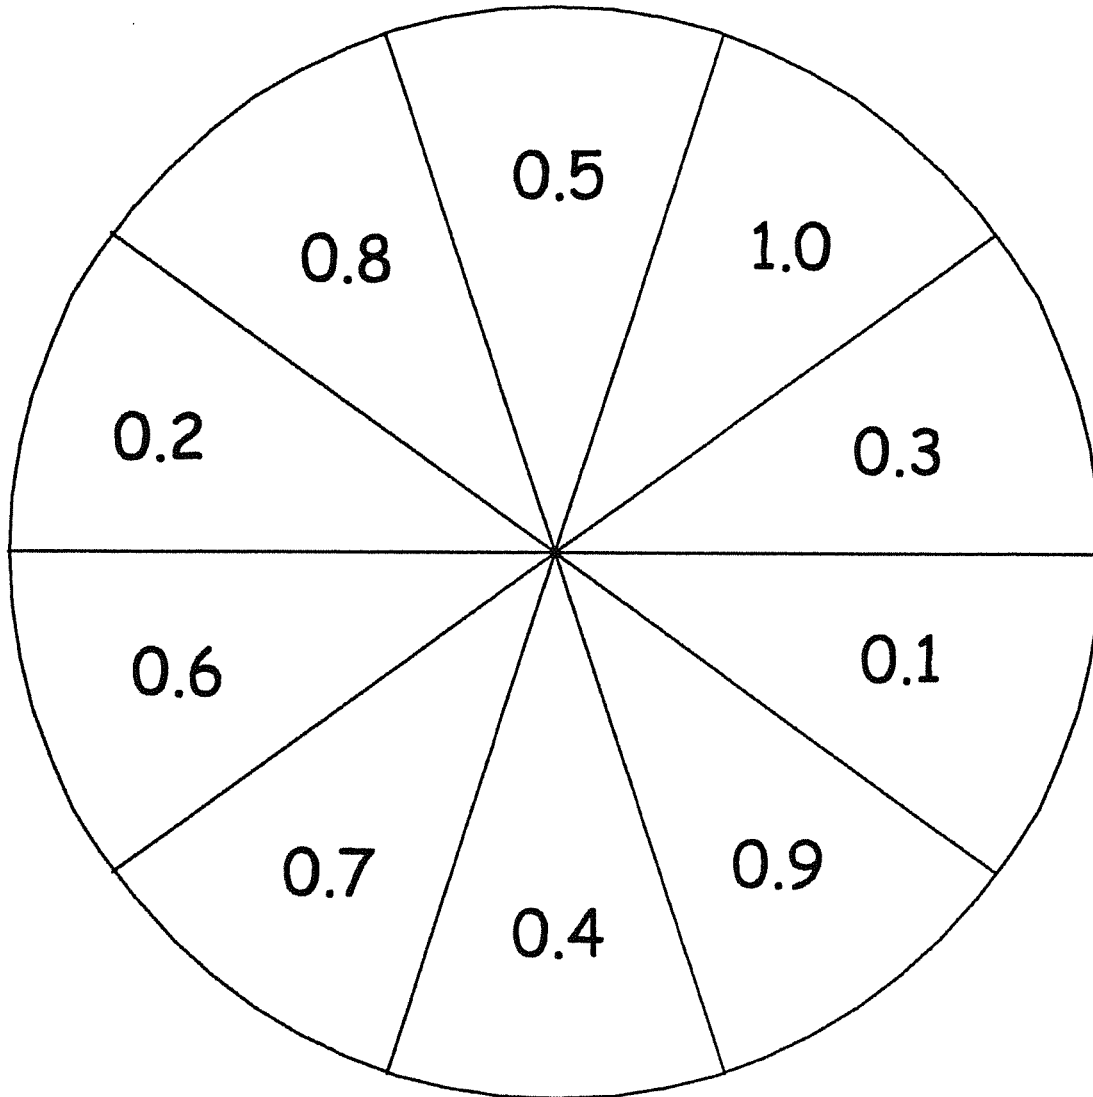

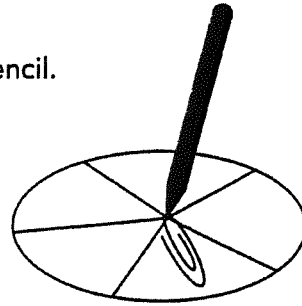

Counters

## **How to Play:**

Players take turns spinning the spinner twice and recording the two numbers. Players can add or subtract the two numbers. Players check each other's calculations and confirm that they are correct. Players place a counter on the corresponding total on their game board. Play continues until one player has covered all the numbers on their board.

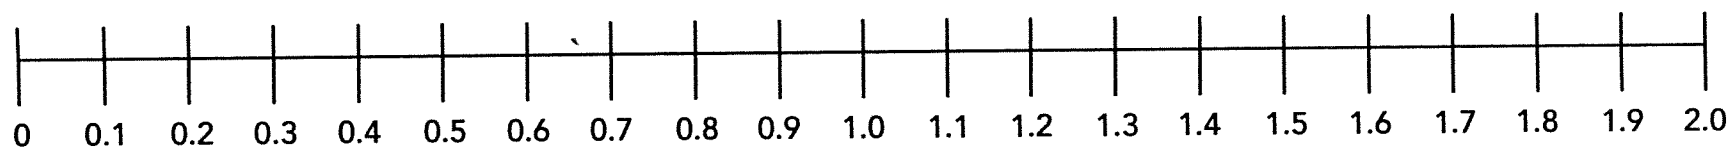

# Number-Line Bingo Spinner
