The ARC Mandate

Working in an advisory role, the Accommodation Review Committee will provide to the Board's Administrative Council recommendations to maximize student learning within the resources available to the Board in keeping with two guiding principles:

- 1. All Students will continue to have access to the best programming possible in quality school facilities**
- 2. Surplus space will be reduced.**

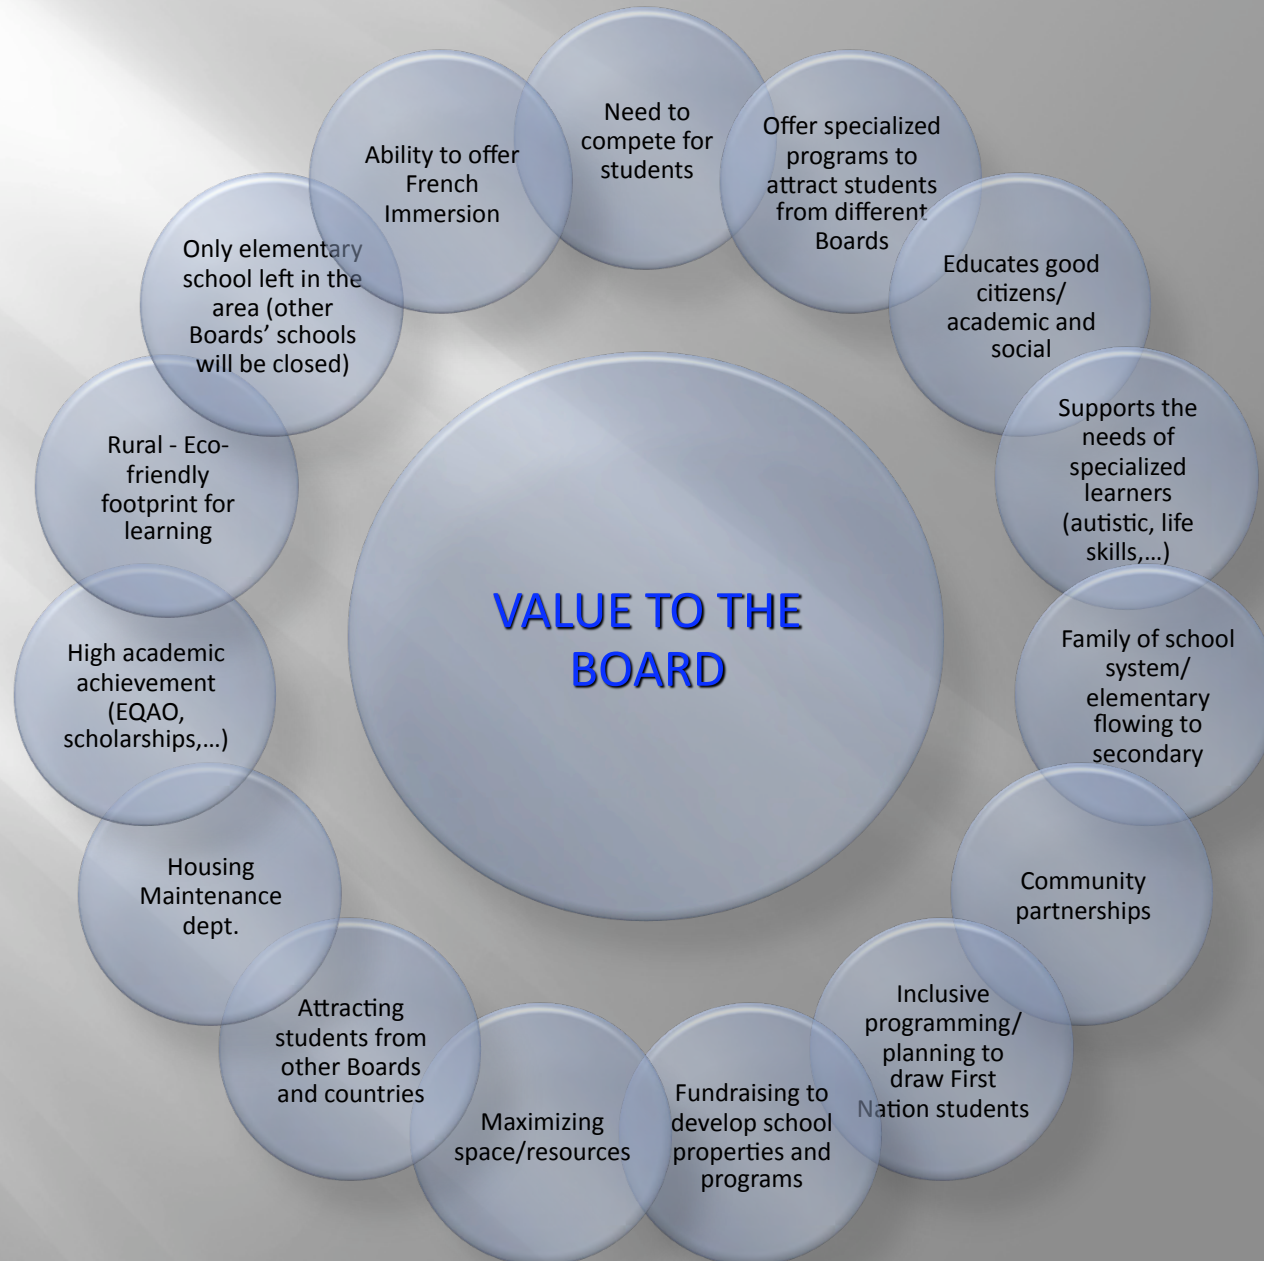

The ARC Mandate

- Conduct a minimum of four Public Meetings.
- Share with the community at the Public Meetings the accommodation review process, data, school information profiles and options.
- Examine all options presented by the ARC, public and senior administrative staff.
- Prepare an accommodation report including findings and recommendations.
- Submit the accommodation report to the administrative council and make the accommodation report accessible to the public.

ARC'S WORK TO DATE

- 1118 collective hours to date invested towards the improvement of the educational environment of our children
- Equal representation from all schools
- Collaborative discussions re: options provided
- We reviewed, we discussed, we debated and we decided:
 - No grade 7-8 in high schools
 - No middle schools
 - No modifications to the FI programming
 - No “Super School”
- Options developed by ARC
- Decisions: present and future

Sudbury South ARC Options to date

Options A

Alexander - Remains as is
Long Lake - Remains as is
Monetville - Remains as is
R.L. Beattie - Remains as is

Changes:

Algonquin - Addition
MacLeod - New JK-8 Green School
Wanup - Close
Lockerby - No Maintenance Shop
Lo-Ellen - No Centre for Education

Strengths

- no grade 7 & 8 students attending high school (K-8 and 9–12 schools)
- solves all problems at MacLeod
- Monetville - no excessive bus ride
 - allows for future growth
- more classroom space (at secondary schools)
- re-establish grade 7&8 tech education as a viable pathway through tech application room
- solves utilization in South End
- protection of FI
- competition with other boards building new schools (draw students)
- improved academic programming for Wanup PS students

Weaknesses

- longer bus ride for Wanup PS students
- lose Wanup PS as facility
- Wanup PS lose outdoor green space
- communities disrupted
- still under-utilization:
 - Long Lake PS & Monetville have triple grades
 - Wanup has quadruple grades

Sudbury South ARC Options to date

Options B

Alexander - Remains as is
Algonquin - Remains as is
Long Lake - Remains as is
Monetville - Remains as is
R.L. Beattie - Remains as is

Changes:

MacLeod - New JK-8 Green School
Wanup - Downsize (Retrofit)
Lockerby - No Maintenance Shop
Lo-Ellen - No Centre for Education

Strengths

- no grade 7 & 8 students attending high school (K-8 and 9–12 schools)
- solves all problems at MacLeod
- Monetville - no excessive bus ride
 - allows for future growth
- more classroom space (at secondary schools)
- least disruptive of all 3 options
- invite community partnerships to utilize space (daycare/health unit/Best Start)

Weaknesses

- limits elementary tech potential
- no improvement in teacher/pupil ratio + supervision
- still under-utilization:
 - Long Lake PS & Monetville have triple grades
 - Wanup has quadruple grades

Sudbury South ARC Options to date

Options C

Alexander - Remains as is
Monetville - Remains as is
R.L. Beattie - Remains as is
Lockerby - Remains as is with Maintenance Shop
Lo-Ellen - Remains as is with Centre for Education

Changes:

Algonquin - Addition
Long Lake - Close
MacLeod - New JK-8 Green School
Wanup - Close

Strengths

- no grade 7 & 8 students attending high school (K-8 and 9–12 schools)
- solves all problems at MacLeod
- Monetville - no excessive bus ride
 - allows for future growth
- best utilization rate
- Monetville – future growth of community
- viability of program (MacLeod, Beattie, Algonquin)
- 2 tech sites at elementary level (MacLeod, Algonquin)
- Preferred: high schools without Ed Centre and Maintenance Shop

Weaknesses

- Wanup & Long Lake PS lose outdoor green space
- communities disrupted
- 2 schools close to max utilization
- increased travel time for children
- potential loss of parent involvement (from Wanup and Long Lake parents) - due to distance

Other Considerations

Boundary Changes: Long Lake
Redistribution of the RDSB students
