Roles and Responsibilities

***Expectations for Students, Parents/Guardians
and Community Sponsors***

Rainbow Schools
Reaching minds. Touching hearts.

The responsibility for the completion of the 40 hours of community involvement prior to graduation lies with the student and his/her parent(s)/guardian(s).

Students:

Students are responsible for selecting appropriate community involvement activities and for completing all required documentation as per the Board requirements. Students are also responsible for completing their community involvement hours in a manner that demonstrates a positive work ethic and respect for others

The following checklist of behaviour is recommended:

- ✓ Punctuality
- ✓ Listen to instruction
- ✓ Appropriate dress and grooming
- ✓ Follow through on commitments
- ✓ Maintain confidentiality
- ✓ Polite manners
- ✓ Clarify instructions if in doubt

Parents/Guardians:

Parents/guardians should provide assistance to their child in the selection of his/her community involvement activity. Parents are also encouraged to communicate with the community sponsor/volunteer supervisor and the school Principal if they have any questions or concerns. A parent must sign the Student Volunteer Activity Sheet for each placement if the student is under the age of 18 years.

Community Sponsors/Volunteer Supervisors:

The purposes of the community involvement requirement are to develop strong ties between the students and their community and foster valuable long-term relationships. Persons and organizations within the community may be asked by the student to sponsor a community involvement activity. Any training equipment, or special preparation that is required for the activity should be provided by the person or organization. It is crucial that students are able to fulfill their community involvement in a safe environment. The person overseeing the student's activity must be 18 years of age or older. There are two forms that the community sponsor/volunteer supervisor will be required to complete: the Student Volunteer Activity Sheet for the placement and the Completion of Community Service sheet upon the students' completion of the placement.

Community sponsors/volunteer supervisors should ensure that the activities completed by the student volunteers are not on the Ministry of Education and Training's or the Rainbow District School Board's list of ineligible activities.

Rainbow District School Board:

The Rainbow District School Board through the individual school Principal will provide essential information and documentation to facilitate the completion of this graduation requirement.

Insurance:

The Board's liability insurance will protect the students and community sponsors for up to 40 hours of community involvement activities. Students are NOT covered with Workplace Safety and Insurance Board (WSIB) coverage in the event of personal injury. Students and parents are encouraged to purchase Student Accident Insurance, which is available through the schools. The Board expects that all community sponsors/volunteer supervisors will provide students with appropriate instructions, put in place safety precautions, train and supervise student volunteers.
