

# THE GIFT: LEARNING DISABILITIES & ADHD REFRAMED

## JONATHAN MOONEY

**Author. Public Speaker. Different.**

Jonathan Mooney is a writer with dyslexia, an educational activist and an inspirational speaker. He has spoken in over 43 states and 3 countries discussing the struggle that “labelled” students with learning disabilities and ADHD have in the traditional school setting. With humour and wit he speaks honestly about the systemic and cultural barriers to normalizing these unique learning styles. Most importantly, Jonathan empowers parents and educators with applicable strategies to build a positive self-understanding in their student.
