

Rainbow District School Board in partnership with the Eshkiniijig Advisory Circle and the Urban Aboriginal Youth Leading the Way, invite families of students who attend Rainbow Schools to tell us who they are by completing the

I am.....Aboriginal

Voluntary Self-Identification Survey

The information on the Voluntary Self-Identification Survey will enable Rainbow District School Board to:

- Improve the educational outcomes for all students
- Close the achievement gap
- Promote equal opportunity
- Reflect the Aboriginal culture, values and traditions
- Establish and maintain relationships with parent/guardians and the Aboriginal community

Stand up and be counted.

Complete the Voluntary Self-Identification Survey.

If you have not had an opportunity to self-identify, please take a few moments to complete the form on the back of this document.

If you have completed the survey, please check off the box that indicates that you have already self-identified your children.

Thank you!
