5. **Director's Remarks**

On Wednesday April 17 two Rainbow students, Colleen Gauvreau and Pierre Debassige, along with Mary Jago, our Mental Health Lead, sat on the College of Teachers advisory panel and spoke eloquently at the OCT conference, held at the Marriott Town Suites, on the role that teachers, staff and students play when the conversation of student mental health arises. We are very proud of RDSB's participation with the advisory council as it demonstrates our commitment to supporting our students.

On Monday April 15 I had the opportunity to present awards at the Kiwanis Music Festival's *2019 Stars of Excellence*. Many Rainbow students and schools were recognized for their talents. Fourteen Rainbow schools were represented. Please review the awards and pass them around, as there are too many to mention.

On Sunday, April 7 I had the opportunity to participate in the Annual Sudbury Regional Science Fair held at Laurentian University. A prouder day you could not have as Rainbow District School Board students won all major awards. In fact all students representing Sudbury at the Canada Wide Science Fair later this spring are from Rainbow District School Board.

When you hear about the challenges that some parts of the world are having, it is so refreshing to listen to our students, more specifically, our Kindergarten students at Larchwood Public School in Dowling. They have created a Kindness Ninja Movement. They are asking everyone to initiate Random Acts of Kindness (RAK). Included in their package is a pledge, a red bandana and a guide. The world has a lot to learn from the actions of 4 and 5 year olds – and yes the world's future looks a lot better as a result of this initiative – we are in good hands! Thank you!

Finally I would like to share with you an acknowledgement from the Terry Fox Foundation. Since the inception of the fundraiser RDSB students have raised over \$800,000. What an amazing accomplishment. Thanks to our communities, staff and most importantly to our students, we continue to fight the good fight in defeating cancer. Well done!

Six young scientists from Rainbow Schools who wowed the judges at the Sudbury Regional Science Fair on April 6 and 7 will compete at the Canada Wide Science Fair in Fredericton, New Brunswick in May.
