**IMPORTANT NOTICE REGARDING COMMUNITY USE OF SCHOOLS:
CUPE TENTATIVE DEAL WITH RESPECT TO PROVINCIAL BARGAINING**

Dear Community Partner:

The Canadian Union of Public Employees (CUPE) has reached a tentative settlement at the provincial level.

CUPE has agreed to stop all job action while awaiting ratification of the deal.

This means full custodial and maintenance services have resumed as well as community use of schools permits.

We value our cleaners, custodians and maintenance staff and their work in support of community use of schools.

For labour updates, please visit rainbowschools.ca.

Thank you for your patience and understanding.

Sincerely,

A handwritten signature in black ink, appearing to read "Norm Blaseg". The signature is stylized with a large, sweeping underline.
