Dear Parents/Guardians:

Due to the current provincial labour situation with the Elementary Teachers' Federation of Ontario (ETFO), we regret to inform you that report cards will not be generated for students in JK to Grade 8. This includes the Term One Report Card and the Kindergarten Communication of Learning.

While teachers will provide overall assessment information to school administrators, they will not input marks, learning skills and/or comments electronically in order to create the reports.

As always, parents/guardians are welcome to contact and meet with their child's teacher about their child's progress. Teachers continue to assess and evaluate student learning. They also continue to update Individual Education Plans (IEPs).

Should the situation change, please be assured that we will advise you.

Thank you for your ongoing patience and understanding.

Sincerely,
