**RE: REMINDER ABOUT REPORT CARDS**

Dear Parents/Guardians:

Further to the message on January 23, 2020, please be advised that due to the current provincial labour situation with the Elementary Teachers' Federation of Ontario (ETFO), report cards will not be generated for students in JK to Grade 8. This includes the Term One Report Card and the Kindergarten Communication of Learning.

While teachers will provide overall assessment information to school administrators, they will not input marks, learning skills and/or comments electronically in order to create the reports.

As always, parents/guardians are welcome to contact and meet with their child's teacher about their child's progress. Teachers continue to assess and evaluate student learning. They also continue to update Individual Education Plans (IEPs).

Thank you for your ongoing patience and understanding.

Sincerely,

A handwritten signature in black ink, appearing to read "Norm Blaseg", with a stylized flourish at the end.

Norm Blaseg  
Director of Education
