RE: UPDATE ON REPORT CARDS

Dear Parents/Guardians:

As communicated on January 23, 2020 and February 19, 2020, report cards are not being generated for students in JK to Grade 8 due to the provincial labour situation with the Elementary Teachers' Federation of Ontario (ETFO). This is part of the legal job action that is currently underway.

As a result, going forward, individual student marks will not be provided by teachers or the school. Marks without comments lack the context that is necessary to offer a complete picture of a student's achievement of curriculum expectations.

Teachers assess and evaluate student learning throughout the school year and, should there be a concern, would reach out to discuss your child's progress.

Should you have any concerns about your child's progress, as always, we encourage you to contact your child's teacher.

Please be assured that the lines of communication between home and school remain open as we work together to ensure your child achieves his or her full potential.

Thank you for your ongoing patience and understanding.

Sincerely,
