Dear Parents/Guardians of students  
at Chelmsford Valley District Composite School:

Chelmsford Valley District Composite School is currently being retrofitted to create a JK to 12 school offering JK to 8 (English and French Immersion) and Grades 9 to 12 (English Program).

Chelmsford Public School will be consolidated into the Chelmsford Valley District Composite School building for September 1, 2020.

The school will also welcome Grade 7 and 8 students from Larchwood Public School and students in the French Immersion Program from Levack Public School.

An information session will be held on Tuesday, March 10, 2020 at 6:30 pm at Chelmsford Valley District Composite School on Highway 144.

You will have an opportunity to learn more about the JK to 12 school and provide input as we work together to ensure a smooth transition.

Sincerely,
