RE: WORKING TOGETHER TO KEEP EVERYONE SAFE

Dear Parents/Guardians: !

I am writing this message on Wear Pink Day in Rainbow Schools. !

It's an opportune time to remind students and parents/guardians to practise kindness, patience and gratitude as the pandemic progresses. !

We will continue to be vigilant in our schools.
We encourage students to be vigilant in the community. !

When out and about, maintain physical distancing.
When you cannot maintain physical distancing, wear a mask. !
This is especially important when travelling in groups. !

We invite parents/guardians, as our partners in education, !
to reinforce health and safety protocols with their children.

Health and safety is a shared responsibility. !

We all have a role to play in keeping COVID-19 at bay. !

Thank you for working together to keep everyone safe.

To learn more, visit rainbowschools.ca.

Sincerely,

A handwritten signature in black ink, appearing to read "Norm Blaseg", written over a thin horizontal line.
