RE: LASALLE STUDENTS ON ONE BUS ROUTE REQUIRED TO SELF-ISOLATE

Dear Parents/Guardians:

Public Health Sudbury & Districts advised the Sudbury Student Service Consortium last night that students from Lasalle Secondary School on one shared bus route are required to self-isolate to and including February 4, 2021. This is due to a possible exposure to COVID-19 not related to the school. There is no confirmed case of COVID-19 at Lasalle Secondary School at this time.

The afternoon secondary run on Route L364 is cancelled. The affected students, their parents/guardians and the relevant bus driver have been notified. Public Health will follow up directly with parents/guardians of students on this bus route. The school will follow up with students to ensure continuity of learning.

Lasalle Secondary School remains open for in-person learning. In an abundance of caution, we are implementing enhanced cleaning and disinfecting before classes begin this morning.

We remind students to screen daily for symptoms of COVID-19. Continue to use the COVID-19 screening tool at <https://covid-19.ontario.ca/school-screening/> to monitor for symptoms and follow the direction provided. Anyone who is sick must stay home.

Remember to follow the critical ongoing COVID-19 prevention measures:

- Wash your hands often with soap and water or alcohol-based hand sanitizer.
- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home and [isolate](#) if symptoms appear.
- Practise two-metre physical distancing.
- Wear a mask in indoor public spaces and outdoors, especially when physical distancing of two metres cannot be maintained.

As always, we will monitor our school population closely for any signs of COVID-19, remain vigilant, and follow the guidance from Public Health. If you have any questions regarding COVID-19 or the measures taken to address COVID-19, please visit www.phsd.ca/COVID-19 or contact Public Health Sudbury & Districts at 705.522.9200 ext. 524.

Thank you for working together to keep everyone safe.

Sincerely,

Norm Blaseg
Director of Education
