**RE: THIRD CONFIRMED CASE OF COVID-19 AT CONFEDERATION SECONDARY SCHOOL**

Dear Parents/Guardians:

Public Health Sudbury & Districts has advised Rainbow District School Board that another confirmed case of COVID-19 has been reported at Confederation Secondary School. There are currently three confirmed cases of COVID-19 related to the school.

The individual is currently self-isolating and being monitored by Public Health Sudbury & Districts.

While there is no evidence of transmission of COVID-19 at the school at this time, Public Health continues to investigate the situation and if any risks to the school community are identified, they may direct additional measures.

**ALL students in Rainbow Schools will learn remotely as of Monday, March 15, 2021 until further notice.**

**The Grade 10 Math Class MPM2D0-02 and the Grade 10 Business Class BBI200-01 have been asked to self-isolate to and including March 24, 2021.** The affected students, their parents/guardians and relevant staff have been notified and have received a letter from Public Health with specific guidance. Public Health will directly contact all parents/guardians of students and all school personnel who have been identified as **close contacts**. There is no impact on transportation.

**For students and staff who have not been asked to self-isolate as part of this confirmed case, the following applies:**

- Simply passing by an infected person in the hallway is not considered close contact, and the risk of spreading the virus this way is extremely low.
- Remember to screen for COVID-19 daily. Continue to use the **COVID-19 Screening Tool for Children in School and Child Care** <https://covid-19.ontario.ca/school-screening/> to monitor for symptoms and follow the direction provided. **Anyone who is sick must stay home. Please note that there are UPDATED isolation requirements.**

Remember to follow the critical ongoing COVID-19 prevention measures:

- Wash your hands often with soap and water or alcohol-based hand sanitizer.
- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home and [isolate](#) if symptoms appear.

- Practise two-metre physical distancing.
- Wear a mask in indoor public spaces and outdoors, especially when physical distancing of two meters cannot be maintained.

We continue to work closely with Public Health as we implement ongoing health and safety protocols to limit the spread of COVID-19.

As always, we will monitor our school population closely for any signs of COVID-19, remain vigilant, and follow the guidance from Public Health.

Updated information will be posted on the Board's COVID-19 Advisory Section at the following link: <https://www.rainbowschools.ca/parents/covid-19/covid-19-advisory/>

As noted, Public Health Sudbury & Districts will directly contact all parents of students and staff who have been identified as **close contacts**.
