RE: LOOKING AHEAD TO THE 2021-2022 SCHOOL YEAR

Dear Parents/Guardians:

We look forward to reopening Rainbow Schools on Tuesday, September 7, 2021 and welcoming students back for in-person learning.

With vaccination rates increasing and case counts decreasing, we are optimistic about the upcoming school year.

After we receive guidance from the Ministry of Education, which we anticipate by late July, we will update our Reopening Guide and share information with families.

We expect that students will attend in person.

In exceptional circumstances, if a student is not able to attend in person as a result of personal health concerns, a remote learning program will be considered.

There will be an opportunity to make such requests through a survey at a later date.

Thank you for your support throughout the 2020-2021 school year.

We wish you and your children a restful summer.

Stay safe.

Sincerely,
