### **Returning Devices on Loan, Retrieving Personal Belongings, Report Cards**

Dear Parents/Guardians:

As we enter the last two weeks of school in a school year unlike any other, I would like to thank you, once again, for your resilience, your patience and, above all, your support.

A key component of keeping everyone safe was learning from home, which required the loan of technology. Board-owned technology must be returned to your child's school on Tuesday, June 29, 2021 – a day designated for year-end wrap up.

School staff will also facilitate the pick up of personal items, as necessary, on this day. Your school will advise you of times as well as safety protocols.

The distribution of report cards will be co-ordinated by schools. Some elementary schools may have them available for pick up next week. Others may opt to email or mail report cards home, including secondary schools. Again, schools will advise you directly.

In closing, I would like to thank all students for persevering and prioritizing their learning throughout the school year. You did it and we are very proud of you.

I would also like to extend our sincere congratulations to all graduates. We wish you the very best as you move on to secondary school, college, university, an apprenticeship, independent living or the world of work.

I am sure you are all looking forward to a change of pace as we welcome summer. May you and your family enjoy a happy and healthy holiday.

Thank you for working together to keep everyone safe.

Sincerely,

A handwritten signature in black ink, appearing to read "Norm Blaseg", written over a light blue horizontal line.

Norm Blaseg
