RE: FIFTH CONFIRMED CASE OF COVID-19 AT ADAMSDALE PUBLIC SCHOOL

Dear Parents/Guardians:

Public Health Sudbury & Districts has advised Rainbow District School Board that a third confirmed case of COVID-19 has been reported at Adamsdale Public School in the Grade 5/6 class in Room 5 that was dismissed on Friday, September 24, 2021.

There are currently five confirmed cases of COVID-19 at Adamsdale Public School. Please note that Public Health advises the school board when a confirmed case has an impact on the school.

The individual is currently self-isolating and being monitored by Public Health Sudbury & Districts. **Adamsdale Public School remains open for in-person learning.**

As a result of this third confirmed case, the isolation period for students in the Grade 5/6 class in Room 5 has been extended to and including October 4, 2021. The affected students, their parents/guardians and relevant staff have received a letter from Public Health. **Direction for staff is based on immunization status.**

Public Health Sudbury & Districts declared a COVID-19 outbreak at Adamsdale Public School on Sunday, September 26, 2021. **The outbreak is contained to the Grade 5/6 class in Room 5 that is currently self-isolating.**

An outbreak in a school is defined as **two** or more lab-confirmed COVID-19 cases in students or staff (or other visitors) in a school where at least one case could have reasonably acquired their infection in the school.

There is no impact on childcare and before and after school programs.

For students and staff who have not been asked to self-isolate as part of this confirmed case, the following applies:

- Simply passing by an infected person in the hallway is not considered close contact, and the risk of spreading the virus this way is extremely low.
- Remember to screen for COVID-19 daily. Continue to use the **COVID-19 Screening Tool for Children in School and Child Care** <https://covid-19.ontario.ca/school-screening/> to monitor for symptoms and follow the direction provided. **Anyone who is sick must stay home.**

Remember to follow the critical ongoing COVID-19 prevention measures:

- Wash your hands often with soap and water or alcohol-based hand sanitizer.
- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home and [isolate](#) if symptoms appear.
- Practise two-metre physical distancing.
- **Wear a mask** at all times in indoor public spaces.

When outdoors, students are encouraged to maintain physical distancing.

We continue to work closely with Public Health as we implement ongoing health and safety protocols to limit the spread of COVID-19.

We will monitor our school population closely for any signs of COVID-19 and follow the guidance from Public Health.

Public Health continues to investigate the situation and if any risks to the school community are identified, they may direct additional measures.

Updated information will be posted on the Board's COVID-19 Advisory Section at the following link:

<https://www.rainbowschools.ca/parents/covid-19/covid-19-advisory-2021-2022/>

If you have any questions regarding COVID-19 or the measures taken to address COVID-19, please visit www.phsd.ca/COVID-19 or contact Public Health Sudbury & Districts at 705.522.9200 ext. 524.

Thank you for working together to keep everyone safe.

Sincerely,

Bruce Bourget
Director of Education
