RE: SECOND CONFIRMED CASE OF COVID-19 AT LASALLE SECONDARY SCHOOL

Dear Parents/Guardians:

Public Health Sudbury & Districts has advised Rainbow District School Board that a second confirmed case of COVID-19 has been reported at Lasalle Secondary School.

The individual is currently self-isolating and being monitored by Public Health Sudbury & Districts. There is no evidence of transmission of COVID-19 at the school at this time.

Lasalle Secondary School remains open for in-person learning.

By direction of Public Health, dismissal of staff and students in the following classes is based on immunization status - English - ENG 1LE-01; Science - SNC 1DO-01; English - ENG 1PE-01; Music - AMU 1/2O0-01; and Concert Band AMR 1/2/3/4O0-01. The affected students, their parents/guardians and relevant staff have been notified and have received a letter from Public Health with specific guidance.

Lasalle Secondary School is being cleaned and disinfected this weekend.

For students and staff who have not been asked to self-isolate as part of this confirmed case, the following applies:

- Simply passing by an infected person in the hallway is not considered close contact, and the risk of spreading the virus this way is extremely low.
- Remember to screen for COVID-19 daily. Continue to use the **COVID-19 Screening Tool for Children in School and Child Care** <https://covid-19.ontario.ca/school-screening/> to monitor for symptoms and follow the direction provided. **Anyone who is sick must stay home.**

Remember to follow the critical ongoing COVID-19 prevention measures:

- Wash your hands often with soap and water or alcohol-based hand sanitizer.
- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home and [isolate](#) if symptoms appear.
- Practise two-metre physical distancing.
- **Wear a mask** at all times in indoor public spaces.

When outdoors, students are encouraged to maintain physical distancing.

We continue to work closely with Public Health as we implement ongoing health and safety protocols to limit the spread of COVID-19.

We will monitor our school population closely for any signs of COVID-19 and follow the guidance from Public Health.

Public Health continues to investigate the situation and if any risks to the school community are identified, they may direct additional measures.

Updated information will be posted on the Board's COVID-19 Advisory Section at the following link:
