

Is your child on the bus list but not on the bus?

When there is a confirmed case of COVID-19 on your child's school bus run/route, students on the bus list will be required to self-isolate as directed by Public Health.

If busing is not required for the 2021-2022 school year, please remove your child's name from the bus list.

Email: transport@businfo.ca
or opt-out on the parent portal
