RE: REDWOOD STUDENTS ON TWO SHARED BUS RUNS REQUIRED TO SELF-ISOLATE

Dear Parents/Guardians:

Public Health Sudbury & Districts advised the Sudbury Student Services Consortium that students from Redwood Acres Public School **on two shared bus runs** are required to self-isolate. This is due to a possible exposure to COVID-19 not related to the school. **There is no confirmed case of COVID-19 at Redwood Acres Public School at this time.**

By direction of Public Health, the requirement for students on the morning elementary bus Route N419 to self-isolate to and including November 15, 2021 is based on immunization status. The isolation period for the afternoon elementary bus Route N408 has been extended by three days to and including November 18, 2021. The affected students, their parents/guardians and relevant bus drivers have been notified and have received a letter from Public Health with specific guidance. **N419 will resume on Tuesday, November 16, 2021. N408 will resume on Monday, November 22, 2021. (Please note that Friday, November 19 is a PA Day.)**

Redwood Acres Public School remains open for in-person learning.

The school will follow up with affected students to ensure continuity of learning.

Remember to screen for COVID-19 daily. Continue to use the **COVID-19 Screening Tool for Children in School and Child Care** <https://covid-19.ontario.ca/school-screening/> to monitor for symptoms and follow the direction provided. **Anyone who is sick must stay home.**

Please follow the critical ongoing COVID-19 prevention measures:

- Wash your hands often with soap and water or alcohol-based hand sanitizer.
- Sneeze and cough into your sleeve.
- Avoid touching your eyes, nose, or mouth.
- Stay home and [isolate](#) if symptoms appear.
- Practise two-metre physical distancing.
- Wear a mask at all times in indoor public spaces.

When outdoors, students are encouraged to maintain physical distancing.

As always, we will monitor our school population closely for any signs of COVID-19, remain vigilant, and follow the guidance from Public Health.
