REVISED October 31, 2021

RE: CONFIRMED CASE OF COVID-19 AT RUTH MACMILLAN CENTRE

Dear Parents/Guardians:

Public Health Sudbury & Districts has advised Rainbow District School Board that a confirmed case of COVID-19 has been reported at the Ruth MacMillan Centre.

The individual is currently self-isolating and being monitored by Public Health Sudbury & Districts. The Ruth MacMillan Centre is being cleaned and disinfected.

By direction of Public Health, the requirement for students and staff in the Applied Behaviour Analysis (ABA) and Northern Support Initiative (NSI) programs to be tested and to self-isolate to and including November 6, 2021 is based on immunization. The affected students, their parents/guardians and relevant staff have been notified and have received a letter from Public Health with specific guidance.

Jean Hanson Public School, which operates both programs at the Ruth MacMillan Centre, will contact parents/guardians about continuity of learning.

Updated information will be posted on the Board's COVID-19 Advisory Section:
