Publicity and Promotional Opportunities

During the 2023-2024 school year, your child's photo may be taken or video/comments may be recorded by the school, the Board and/or the media for promotional purposes. This is an excellent opportunity for your child to represent the school or receive recognition for his/her/their achievements. Examples of promotional purposes include, but are not limited to, news releases, school and system-wide newsletters, brochures, posters, videos, Internet information, news coverage, radio broadcasts, television footage and social media, including Facebook, X (formerly Twitter), TikTok, Snapchat and YouTube. This consent will also allow students to participate in activities that are livestreamed for public viewing, for example, sports events and school Board meetings.

Please check the appropriate box below and sign to indicate whether you consent to having your child participate in publicity and promotional opportunities.

Note: You may contact your school at any time to revoke this consent.

Yes, I consent to having my child participate in publicity and promotional opportunities.

No, I do not consent to having my child participate in publicity and promotional opportunities.

Parent/Guardian Signature: _____

In accordance with the Municipal Freedom of Information and Protection of Privacy Act, personal information is being collected under the authority of the Education Act to obtain consent for publicity and promotional opportunities. For more information, please contact the Principal.
