**6 pm Parent Involvement Committee**  
Annual General Meeting for School Councils  
Election of the Parent Involvement Committee  
(Please note that nominees must be present for their nomination to stand.)

**7 pm Keynote Address:**  
*Helping our Students Thrive Through Challenging Times*  
with Dr. Jean Clinton

The live presentation will be held in person at Sudbury Secondary School's Sheridan Auditorium. Parents/guardians in Espanola and Manitoulin are invited to gather at Espanola High School and Manitoulin Secondary School to participate.

The presentation will focus on the power of relationships, belonging and connection to create optimal learning conditions for all students.

Dr. Clinton speaks to many groups, advocating the importance of relationships, early child development and brain development, parenting and asset building. Dr. Clinton champions the development of a national, comprehensive child well-being strategy including a system of early learning and child care for all young children and their families, which she believes plays a vital role in promoting healthy human development.

*Join us in person for this not-to-be missed special presentation.*

**Dr. Jean Clinton** of McMaster University is one of four renowned experts to advise the Wynne Government on bold reforms to the province's publicly funded education system.

The clinical professor of psychiatry and behavioural neurosciences of the Michael G. DeGroot School of Medicine, Dr. Clinton is a specialist in child psychiatry. Her expertise is in the development of young minds and she is recognized internationally as an advocate for children's issues. Her special interest lies in brain development, and the crucial role relationships and connectedness play therein.
