Intermediate Student Success Strategies

Superintendent Wachnuk introduced Principal of Student Success, Melanie Bertrand, Principal of Program, Dan Koziar, Principal of Special Education Programs and Services, Danielle Williamson, Principal of Indigenous Education, Nicole Nicolas, and Mental Health Lead, Sarah Clarke, who provided a presentation on the transition process from grade 8 to grade 9.

They provided details on the various information sessions for students and families like “Next Stop: Grade 9”, Secondary School Information Nights, Shadow a Student Day and Grade 9 Welcome Day.

They also highlighted the various steps and planning taken by staff to gather information to share with receiving schools to ensure a successful transition. Structured meetings between both the elementary and secondary school take place to ensure the receiving school has as much information as possible about the incoming students. Grade 8 teachers complete transition forms for each student with data including report cards marks, assessments, attendance as well as social emotional needs, interests and areas of strength, support services that have been effective, and timetable recommendations.

They provided three fictional student profiles to illustrate the many ways we support students, based on their specific strengths and needs and how the transition team may plan for more specialized supports for those who require them.

I would like to join in wishing everyone a Happy New Year.

In 2024, we are excited to move forward with our talented staff, dedicated administrators and all of our students as we approach the 100th day of school and get ready for the second semester in our secondary schools.

As you know, we have structured our work to have an Executive Council in schools each Wednesday and Thursday. We are very grateful for the great work that occurs each and every day on behalf of students.

We are working diligently to support staff in our collective efforts to grow student achievement in Literacy and Numeracy.

I would like to express my sincere thanks to the board of Trustees for your support and advocacy for our students and staff.

We remain focused on the priorities that you have established in Strategic Directions, which provides a purposeful path forward through your leadership.

I want to thank everyone for being kind, caring and patient as this goes a very long way in supporting each other. It is a simple, yet powerful way to make a difference every day.

I would like to share an appointment with you:

In December, Julie Balen was appointed as acting Vice-Principal at Little Current Public School.

You will recall that Robyn Best has taken on the leadership role at Charles C. McLean Public School.

We are also pleased to welcome Kristin Pichette as Principal at Lasalle Elementary School, and Nicole Nicolas Bayer is now leading Indigenous Education on behalf of the Board.

5. **Other Items**

OPSBA Director – Trustee Kosmerly shared that she attended a Ministry of Education consultation regarding Trustee Code of Conduct, specifically on the establishment of a roster of Integrity Commissioners. At this meeting they were also asked for feedback on Director of Education qualifications and PD for both Directors and Trustees. The Ministry will be posting a survey on Trustee Code of Conduct on the regulation registry shortly and

encouraged all to complete. She also reminded Trustees of the upcoming PES conference in Toronto on Thursday and Friday. Trustee Kosmerly also mentioned that the province is continuing their Pre-budget consultations and will be hosting a session in Sudbury on January 30th. All consultations are being livestreamed.

Student Trustee – Student Trustee Greene shared that the “High School 101” slide show is in its final stages and looks forward to sharing it with the Board. They shared that a couple of senators have taken an interest in the possibility of being the next student trustee and have been shadowing the current trustees to gain a more in-depth understanding of the role. Both trustees have been consulting in their working groups for the upcoming OSTA conference in February. “Believing in Yourself” is the theme for the upcoming Stand Up Speak Out conference, chosen for student mental health. Breakout sessions are currently being planned, and any input or suggestions are welcome.

6. **Trustees’ Remarks/Questions** NIL

7. **Chairperson’s Remarks**

As this is our first regular Board meeting of 2024, I would like to wish trustees, staff, students and families a healthy and happy new year.

I also extend a sincere thanks to all parents/guardians and children who attended our Kindergarten Information Nights last week. If you were unable to attend, there is still time to register. Contact your area Rainbow school today.

Secondary school Information Nights continue in the coming weeks...

On Thursday, February 15th we have Espanola High School at 6 pm and also Manitoulin Secondary School at 6:30 pm, and Lasalle Secondary School on Thursday, February 22nd at 6:30 pm. For the Information Nights that have already taken place, there is still time to register.

The next Parent Involvement Committee Meeting will take place on Tuesday, January 30th at 7 pm at the Centre for Education. A presentation on social media and cyber security will take place - a very important and timely topic for families.

The Environmental Education Committee invites Rainbow Schools to turn down the heat and wear a sweater for National Sweater Day on Thursday, February 1st. This initiative is part of the Committee’s ongoing efforts to increase awareness about climate change and encourage sustainable practices.

Parents/guardians of students with special needs in Rainbow District School Board are invited to provide input for the 2024-2025 Special Education Plan. The deadline to complete the survey is Friday, March 1st. The survey link is currently available on the board website.

A reminder that secondary exams are set to take place between Friday, January 26th and Thursday, February 1st.

1. Welcome

Senior Administrator Leslie Mantle welcomed everyone to the meeting.

2. Self-Introductions

Online and in person participants introduced themselves.

3. Presentations: Parents Reaching Out Grants - School Success Stories

Little Current Public School

Heather Pennie, Principal, and Robyn Best, Vice-Principal, said parents/guardians of Little Current Public School had an opportunity to learn about emotion coaching and gain strategies teachers use at school. Alison Orford shared the tools used at school to raise emotionally resilient children. Participants received a number of items to take home - an emotion coaching reference magnet, rainbow breathing visual, zones of regulation visual, circle of control visual, how I'm feeling visual and emotion scenario cards to prompt conversations. Community partners also donated items, like calming fidgets. A parent lending library was established. Parents/guardians received a 3 minute positivity journal.

Lockerby Composite School

Ryan Lafraniere, Principal of Lockerby Composite School, said their project supplemented the resources shared at the Board's transition evening. With engagement and support from the School Council, Lockerby created a handbook for students and parents/guardians with general information about secondary school and specific information about programs/opportunities at Lockerby Composite School. The handbook was distributed to Grade 9 students and their parents/guardians during a school visit in the spring. The handbook, which is updated annually, is also available online.

Central Manitoulin Public School

School Council Chair Allison Orford said students at Central Manitoulin Public School engaged in learning along with parents/guardians, including strawberry teachings, creating a box garden, learning lacrosse skills, medicine walk, macrame art session, year end barbecue and a "book tasting" event that was a huge success. The activities engaged the entire school community with a focus on truth and reconciliation, mental health and well-being, equity and inclusive education, environmental education and sustainability, and literacy and numeracy. The goal of the project was to create equitable and inclusive learning experiences at Central Manitoulin Public School.

Lasalle Secondary School

Kristina Rivard Gobbo, Principal of Lasalle Secondary School, said the school offered a series of three sessions focused on mental health and well-being. The book "What to Say to Kids When Nothing Seems to Work" by Adèle Lafrance provided the starting point to focus on growth mindset and resilience. Parents had an opportunity to dialogue with other parents. They received tools on how to validate how children are feeling and

replace “but” with “because” to open up the lines of communication. Parents/guardians received information on mental health supports, including websites and apps.

4. Discussion based on presentation

Parents/guardians were invited to ask questions at the end of each presentation. They appreciated the sharing of ideas for future PRO grant applications.

8. Review of School Council PRO Grant applications

A total of 20 Parents Reaching Out Grant applications were received for the 2023-2024 school year. The budget is \$22,500. The project submissions exceeded the budget by \$16,500. Prior to the meeting, Principals were contacted to determine if they would be willing and able to proceed with their projects with a reduced budget. Schools said yes. The goal of this approach was to maximize the distribution of limited dollars for the benefit of more schools. Even with the adjustments made in advance of the meeting, the PIC members had to make further reductions. This was achieved through collaboration and consensus. As a result, all schools that qualified will receive a grant. Projects were also reviewed by staff to ensure they responded to a board priority.

2023-2024 PRO grant recipients and board priorities:

Adamsdale Public School - Literacy and Numeracy

Larchwood Public School - Literacy and Numeracy

Queen Elizabeth Public School - Literacy and Numeracy
