

# Secondary Summer Learning Program

July 2 to July 31, 2025

## New Credit eLearning Courses

- eLearning is taught entirely through the Virtual Learning Environment (VLE) in D2L's Brightspace. eLearning is asynchronous, which means students have the flexibility to login and complete work at any time of the day.
- Students should expect to spend approximately five hours per day working on their course. Extensions will NOT be provided for personal vacations where the student is not able to participate in the course. There is no guarantee students will be able to access the VLE outside of Canada.
- Students are permitted to enroll in only ONE summer eLearning course.
- Students should see their guidance counsellor for a complete list of available courses and to register.

## Credit Recovery or Upgrading Courses

- Classes will take place in person at Sudbury Secondary School's Adult Day School and are open to students from both public and separate schools.
- Schedule:
  - Period 1: 8 am to 10:30 am
  - Period 2: 10:45 am to 1:15 pm
