5. **Director's Remarks**

Budget:

I would like to thank Trustees for approving the 2025-2026 budget. You have provided the financial framework for staff to continue to implement our Strategic Directions for students.

I would like to thank Superintendent Guilbault, Manager Cecchetto and the Finance department for their hard work to prepare the budget under very tight timelines.

In our budget we continue to prioritize programs and opportunities for students. We will be ready for another exciting school year in September.

Our Facilities staff and contractors will be working on many school renewal projects throughout the summer as we maintain quality facilities for quality programs.

Appreciation:

I would like to thank the Board of Trustees for your tremendous support of our students and staff. I am very grateful for your leadership. Your kindness and care for our students and staff is always reflected in the work that we do. We have much to be proud of. To watch young people cross the stage to accept their Ontario Secondary School Diploma gives meaning to our work. You have heard me say a few times this year that confidence is the greatest gift we can give young people. Confidence was certainly evident in the graduation celebrations that we attended over the past month. Chair Farrow, Trustees, I wish you a restful summer knowing that you have made a difference in the lives of children and young adults in the communities that we serve.

I would also like to express my gratitude to our incredible team of Principals and Vice-Principals for their leadership, dedication and commitment. They are dedicated and talented leaders and we are thankful for the work they do each and every day in support of students and staff.

I want to thank our wonderful teachers and educational support staff for providing caring and supportive educational learning environments for our students and guiding and inspiring them to be the best they can be.

I also extend my sincere gratitude to our Executive Council, our System Principals, our Managers, Nicole Charette, Jen Battah Chartrand and Cindy Whitson. This amazing team works tirelessly to support our schools and they excel in what they do. They are true professionals and I appreciate the opportunity to work with them.

It is a privilege for all of us to serve the families of Sudbury, Espanola and Manitoulin Island as, together, we prepare students to become lifelong learners, achieving their full potential as confident, caring members of society.

And last, but by no means least, I would like to thank parents/guardians for their support. When we work together anything is possible.

As you set out to enjoy your well-earned summer, remember that the caring and kindness you share each day - however big or small - has a positive impact in the lives of others. Positivity, energy, care and compassion in our schools are the primary ingredients to our continued success and our collective well-being. Thank you all for being difference makers and confidence builders.

To our students and families, have a wonderful end to the school year and an enjoyable, safe and restful summer.

Another amazing school year is just around the corner and we can't wait to see you back in the fall.

6. **Other Items**

OPSBA Director – Trustee Kosmerly recently attended the OPSBA AGM and highlights from the meeting were shared with fellow trustees, but wanted to stress the importance of reading and understanding the changes that will be coming this fall when the legislature resumes and Bill 33 Supporting Children and Students Act is passed into law. The bill includes significant amendments to the education act as they pertain to the naming and renaming of schools, school board relationships with local police services and most notably expanded ministry authority over school boards. OPSBA is preparing a response on behalf of all publicly funded school boards. Additionally from the AGM, she attended a presentation on board self-assessments, and shared that OESC is hoping to have a common assessment tool available in the fall. She also reminded trustees to complete the OESC professional learning modules by August 31st and that the changes to trustee attendance for Board and Strategic Planning meetings takes effect September 1, 2025.

Student Trustee – Student Trustee Nootchtai expressed her appreciation for the opportunity to co-chair Student Senate and acknowledged senate members and their hard work all year. She was thankful for the opportunity with OSTA to chair the Indigenous Student Trustees Council and be a voice for students across the province. She expressed her appreciation to the board of trustees and in particular Trustee Hunda for her mentorship as well as Superintendent McNamara for being a role model to look up to.

7. **Trustees' Remarks/Questions**

Trustee McCauley shared his appreciation to be part of the team of trustees and thanked them for all they do. He wished everyone the best for a safe and happy summer.

Trustee Hunda expressed her gratitude to her fellow trustees and staff for all they do. She also thanked Student Trustee Nootchtai and Student Wilson-Zegil for their commitment to the Student Senate and wished them all the best in their futures. She wished everyone a safe and enjoyable summer.

8. **Chairperson's Remarks**

Good afternoon everyone,

As the 2024-2025 school year comes to a close, I am filled with gratitude and appreciation.

It's a very magical time in schools. Students have been completing culminating assignments and exams, and celebrating their accomplishments with stepping up ceremonies, graduations, proms and highly anticipated year-end trips.

These opportunities are made possible by the commitment of our school administrators, educators and support staff who make the school experience meaningful and memorable. Thank you for helping students reach their full potential both inside and outside of the classroom.

I would like to recognize our students for their hard work throughout the school year, and their parents/guardians - our dedicated partners in education - for their encouragement and support.

I would also like to take a moment to express gratitude to my colleagues around this table. Thank you for making a difference in the lives of the students in our collective care. This is not only the most wonderful time of the year; it is also the most rewarding time of the year.

Finally, on behalf of the Board, I extend sincere congratulations to the Class of 2025. Whatever path you choose - whether it's work, independent living, apprenticeship, college or university - we wish you the very best as you embark on the next chapter in your journey. Congratulations!

As the school year draws to a close, we have had many successes to celebrate, including national recognition in skills, science and spelling, and provincial recognition in track and field.

This evening, we celebrate another milestone - 100 per cent certification in EcoSchools Canada, which is a tremendous accomplishment for our schools and school communities.

Rainbow District School Board is one of only three school boards in Canada to have achieved 100 per cent certification in the 2024-2025 school year.

According to EcoSchools Canada: "This exceptional milestone reflects your continued commitment to sustainability and highlights your leadership in environmental education – both within Canada and across the global EcoSchools network."

Rainbow Schools earned 25 Platinum, 9 Gold, 3 Silver and 3 Bronze certifications. The number of schools that qualified for the highest level of certification doubled last year. Rainbow District School Board added another school to the Platinum designation in the current school year.

Rainbow District School Board is leading the way in environmental learning and climate action. Congratulations to students, staff, parents/guardians, community partners and our Environmental Education Committee.

I would like to highlight a few items of note:

The Lung Health Foundation will present the Halt the Haze webinar tomorrow - Wednesday, June 25th at 7:30 pm. This free session will give parents/guardians practical tools and supportive strategies to help teens quit vaping. It's a very timely topic and everyone is welcome to register. The link is available on the board website.

Rainbow District School Board will also offer Summer School credit recovery and upgrading courses at the secondary level. To register, students must have taken the course during the current academic school year. Classes begin next week. There is still time to register. More information is available on the board website.

Rainbow District School Board will offer opportunities for students to earn new credits towards their Ontario Secondary School Diploma this summer, including Summer School Co-operative Education, Barrydowne College Dual Credit and new credit as well as e-Learning for students in Sudbury, Espanola and Manitoulin Island.

In closing, I would like to wish everyone a safe and happy summer.
Enjoy a well-deserved break.

Thank you.

TO: David Farrow, Board Chair, and Bruce Bourget, Director of Education

CC: Adam Guilbault, Superintendent of Business

RAINBOW DSB

Good day,

We hope you have had an amazing school year, and are ready to spend time resting, and reflecting, while also beginning to look ahead to the upcoming 2025-26 school year. Our commitment to supporting public education remains steadfast, and we are grateful for your continued membership and support.

OPSBA represents nearly 1.4 million students, or almost 70% of the entire K-12 student population, including all 31 English public school boards, as well as 10 school authorities. Collectively, this makes our organization the biggest stakeholder voice for public education in Ontario. We advocate for public education every day, and our expert voice is the most credible because we have the weight of **our member school boards** behind us. Your board is a key part of who we are and what we do.

This has been a year of significant change – from shifting political leadership to new legislation like Bill 33, the Supporting Children and Students Act. Through it all, OPSBA has remained a steady, trusted voice for students, families and communities.

Our advocacy continues to focus on student achievement and well-being, while promoting excellence in local governance. We've supported boards and trustees with tools and resources, and proudly celebrated initiatives like Local Government Week, Take Your MPP to School Week and the provincial implementation of the national school food program. Through conversations with trustees and school board staff across Ontario, we've seen the strength of our collective leadership – and the importance of listening and planning strategically.

With Minister of Education Paul Calandra in office since March, we are working hard to continue building our relationship with the current government. We are directing efforts to the issues that matter to our members **right now** – including local school board governance and autonomy, education funding and pupil accommodation, special education, and student transportation.

Our programs and services are highly cost effective. Working with our partners, including [the OESC](#), the financial benefits of membership far exceed not only the membership fee itself, but the outcomes that could be achieved by boards acting individually:

- **Copyright Fees** – Savings related to our interventions on copyright tariffs have amounted to **\$32,300** for your board.
- **School Energy Coalition** – Our interventions on natural gas rates and electricity rates have continued to create significant savings for all school boards and cover membership fees many times over. For your board in 2024-25, that meant a **savings of \$86,000**.

Additional Benefits

- **Professional Development** – Central to our mission is the continuous support and professional development for trustees through school board association-led learning opportunities like the relaunched [OESC's Essential Governance 2025 program](#). These offerings are free of charge and included four webinars and six online modules covering topics ranging from community engagement to mediation and conflict resolution, financial

management and governance, and Director of Education Performance Appraisals. This is in addition to our well-attended in-person events.

- **Labour Relations** – On the collective bargaining front, we have been closely with senior staff in school boards on implementation from the last round of bargaining and are actively preparing for the next round, as current collective bargaining agreements expire August 31, 2026.
- **Advocacy and Action** – With the dedicated support of our trustee-led Policy Development and Education Program work groups, Indigenous Trustees' Council and Black Trustees' Caucus, OPSBA's efforts support the needs and priorities of our members, including current and upcoming consultation around Bill 33, Supporting Children and Students Act, the continuation of *Better Schools and Student Outcomes Act* implementation, Core Education Funding advocacy, and the implementation of the national school food program in Ontario.
- **Communications and Public Affairs** – The Association's communications staff hosts monthly virtual meetings for member board communicators to discuss best practices and key messages on the pressing issues of the day. This is in addition to the annual in-person session for communications staff and the daily "Media Report" provided to all trustees and senior staff and weekly Provincial Update e-newsletter, which includes news from the Ministry of Education and our education partners.
- **The OPSBA website's [Members' Area](#)** was re-designed in 2024 to streamline your access to essential resources and information, with enhanced usability and accessibility, faster access to advocacy submissions, and supporting documents for all OPSBA committees and work groups.

For a full picture of our recent accomplishments, please see our [2024-25 Annual Report](#) and [our advocacy work](#) related to the provincial government's legislative and regulatory agenda.

When all of this is combined with the other benefits created through our coordination and advocacy, the real value of OPSBA membership is clear.

2025-26 Fee

This year, the OPSBA **membership fee** for your board is **\$42,393**.

Thank you for your continued support as a member of OPSBA and for your dedication to public education. You can learn more about the valuable services OPSBA offers your board by visiting www.opsba.org.

Kathleen Woodcock
